

WELCOME TO GIARDINO CORDUSIO.

Where the art of classic mixology blends with the atmosphere of our garden. A magical journey begins with every sip, a tribute to the perfect harmony between botanical inspiration and timeless craftsmanship.

Step inside and get lost in an ambience that invites you to leave the ordinary behind. Our menu is an ode to the abundance of the garden, a symphony of flavours carefully composed to awaken the senses. Each cocktail is a masterpiece, meticulously balanced and presented with an artistic touch.

The real magic happens at the bar, when our bartenders create a dance of liqueurs and fragrant botanicals, authentic elixirs that captivate both the eye and the palate.

Giardino Cordusio is a celebration of the simple joys of life, where time flows slowly and elegance reigns supreme.

The "Amaro" (bitter) is typically made by steeping herbs, roots, flowers, barks and/or citrus peel in alcohol, neutral spirits or wine, mixing the citrate with sugar syrup and letting the mixture age in barrels or bottles. The bitter is typically enjoyed neat, sometimes with a citrus slice. It can also be consumed on the rocks or with tonic water, and is often used in cocktails.
