

WELCOME TO GIARDINO CORDUSIO

Where the art of classic mixology blends with the atmosphere of our garden. A magical journey begins with every sip, a tribute to the perfect harmony between botanical inspiration and timeless craftsmanship.

Step inside and get lost in an ambience that invites you to leave the ordinary behind. Our menu is an ode to the abundance of the garden, a symphony of flavours carefully composed to awaken the senses. Each cocktail is a masterpiece, meticulously balanced and presented with an artistic touch.

The real magic happens at the bar, when our bartenders create a dance of liqueurs and fragrant botanicals, authentic elixirs that captivate both the eye and the palate.

Giardino Cordusio is a celebration of the simple joys of life, where time flows slowly and elegance reigns supreme.

LIQUID BLOSSOMS

*A liquid garden in the heart of the city.
Giardino Cordusio is a place where
flowers are not observed:
they are drunk.*

*We have transformed the idea of the
Italian garden into a cocktail list that
puts the absolute taste of flowers
at the center.*

*Each drink is a blossom, a sip of landscape,
an aromatic fragment rooted in Italian culture.*

The "Amaro" (bitter) is typically made by steeping herbs, roots, flowers, barks and/or citrus peel in alcohol, neutral spirits or wine, mixing the citrate with sugar syrup and letting the mixture age in barrels or bottles. The bitter is typically enjoyed neat, sometimes with a citrus slice. It can also be consumed on the rocks or with tonic water, and is often used in cocktails.

ROKU COLLECTION

The premium gin by House of Suntory, the Japanese artisanal house. Meticulously crafted with 6 unique Japanese botanicals, harvested during Shun - the moment of peak freshness. These distinctive ingredients blend with classic botanicals to create a harmonious and refined gin: delicate, complex, and deeply balanced.

ROKU

50ml

15

Balanced and floral, with notes of cherry blossom, green tea, and Japanese citrus. Smooth on the palate, with a fresh and slightly spicy finish.

ROKU SAKURA BLOOM EDITION

17

Ispirato all'Hanami, la tradizionale celebrazione giapponese della fioritura dei ciliegi, esalta la delicatezza del Sakura. Più aromatico e avvolgente, con un profilo floreale elegante e una texture setosa.

ROKU NORYO EDITION

17

Inspired by the Japanese concept of Noroyo, the pleasure of cooling off during summer, it highlights the notes of the two teas in the recipe - Sencha and Gyokuro - creating a fresh and lively Roku, with citrus accents and light herbal nuances. Perfect for refreshing drinks and light aperitifs.
